SVGA Extension Cable

Details correct on: 03/12/2014

Notification	
Product Code	CDEX-235K
Short Description	Black SVGA HD15 male to female cable, 15 Mtr
Full Description	Our range on Super VGA cables are constructed using UL2919 approved 28awg triple mini coaxial and 5 30awg conductor cables, this allows them to be used for extended distances. Triple shielded with copper braid, foil and drain wire. Our cables are designed for standard monitors and may not work with widescreen LCD's that require DDC cable. The male to female cables are primarily used as extension cables, or to connect to the Video Splitter or SVGA CAT5E Extender.
